

ABOUT PALISADES EPISCOPAL SCHOOL

Be Inspired. Be Challenged. Be Active. Be Known.

PES is an independent day school serving 190 students in Junior Kindergarten – 8th grade on a 10 acre campus in Southwest Mecklenburg County. As a liberal arts, neo-classical institution, PES offers students opportunities for integrated study by seamlessly weaving together scientific, cultural, historical, and literary investigations. With mastery of skills as the goal, rather than just memorization of facts, a PES student is provided time to think, discuss, process and apply their knowledge, which in turn promotes intellectual curiosity and creates lifelong learners. Intimate class sizes and low teacher-student ratios, allow for differentiated instruction across every grade. Service integration helps students develop citizenship skills and fosters values of integrity, courage, responsibility, compassion, and hard work. PES students graduate knowing how to connect their heads to their hearts and are academically prepared for high school and beyond.

PES PARTNERS CORPORATE PARTNERSHIP PROGRAM

Providing year-round advertising opportunities in our school community and beyond.

Palisades Episcopal School is a school honoring Christ and committed to providing a classical education challenging the mind, body and spirit.

With numerous athletic, arts, community and student recognition programs held on campus each year, the **PES Partners Corporate Partnership Program** is a mutually beneficial program that provides businesses a unique and innovative opportunity to spread their message to our school community and neighborhood while supporting the exceptional programs here at the School. Our partnering businesses have their logos prominently displayed on campus banners, on the School's website, on the School's social media pages, on the welcome screen of the Browning Recreation Center (BRC) and on our School's buses. Business advertisements are included in the School's yearbook and Gala program, and our partners are recognized in all-school community emails, during home athletic events, during Chapel services and in the School's Annual Report. Your partnership will directly support the exceptional academics, competitive athletics, unbounded experiential and service learning opportunities, award-winning arts and scholarship programs that make PES so impactful. Thank you for becoming a PES Partner.
