

PES Enrichment Examples of Remote Learning Activities

13120 Grand Palisades Parkway | Charlotte, NC 28278 | 704.583.1825 | www.pescharlotte.org

From weekly virtual Chapels and music messages, biking challenges and creating indoor/outdoor obstacle courses, Latin poetry assignments, lighthouse and mosaic art projects, and Spanish song writing, PES Enrichment faculty are teaching and reaching students in creative, innovative ways.

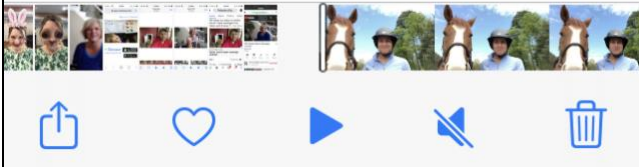

Through the use of interactive platforms such as Google Classroom, Seesaw, and Zoom (just to name a few), our teachers have also found unique ways to address various learning styles of students by offering hard copies, instructional videos, and multiple assignment submission options (notes pages, videos, email, journal posts, pictures, etc.) based on each student's preference, ability, and resources.

Below you'll find just a sampling of some of the amazing ways our students are still joyfully participating in Music, Latin, Art, Spanish, PE, Equestrian, and Chapel.
