

This school calendar was revised to provide as many in-person school days as possible with the option of flex days built in at the end of the school year if a transition to remote learning becomes a necessity due to a recurrence of COVID-19. If we are able to continue on-campus learning for the year, the last day of school for students will be Wednesday, May 19th. Any days throughout the school year in which school is canceled due to a transition to remote learning will be made up during the flex days at the end of the school year. The last possible student learning day would be Wednesday, June 9th.
