

Why Give to the PES Fund?

What is the PES Fund?

The PES Fund is the School's top fundraising priority. A gift to the PES Fund impacts every student, every day. Your gift ensures a PES experience full of exceptional academics, competitive athletics, unbounded experiential and service learning opportunities, awe-inspiring arts programs, and scholarship awards.

Why donate when we already pay tuition?

While tuition covers the essential operations of our school, it's the PES Fund that elevates the PES experience from great to exceptional. Your contributions support the programs and opportunities that set PES apart and enhance every student's experience.

The PES Fund allows us to invest in excellence each year while helping to moderate tuition increases. Strong PES Fund support enables us to maintain financial stability and keep PES accessible to a broader range of families. When you give to the PES Fund, you're not just supporting PES — you're sustaining the vibrant, inclusive, and dynamic learning environment that makes PES truly special.

Who is asked for gifts?

We ask everyone in the school community - parents, alumni, families, grandparents, Board of Trustee members, faculty, staff and friends. We strive for 100% participation.

Why is participation so important?

A high number of gifts is a vote of confidence in PES. Many outside organizations look at the rate of participation when making funding decisions. Ultimately, however, the impact of participation extends far beyond the numbers; it reflects the dedication of our PES community and inspires a culture of generosity.

How much should I give?

The amount is entirely up to you. Every gift is important and appreciated. Our hope is that PES is one of your philanthropic priorities. Please contribute at a level that is meaningful to your family.

When should I make my gift?

Solicitations are sent in October and our hope is that you will make your gift or pledge by November 21, 2025. You have until June 30, 2026 to fulfill your PES Fund pledge. Once you have made your commitment, you will not be asked again until the next academic year.

What is a matching gift?

Many companies match the charitable gifts of their employees, maximizing the amount donated to a charity. Many PES supporters work for matching gift companies. Please check with your HR Department to learn more.

Can I make my gift through Employee Giving Programs?

You may be able to designate gifts through your Employee Giving Program to PES. Please check with your company to learn how you can benefit PES in this way.

How do I make a gift?

PES accepts cash, check, stock and credit card contributions. Gifts can be made easily online by visiting [**pescharlotte.org/support**](https://pescharlotte.org/support).

***Thank you for your
support of the PES Fund!***
